### Deoxycholic acid-OVA conjugate orb527320

|                     |                                                                        |
|---------------------|------------------------------------------------------------------------|
| Description         | Deoxycholic acid-OVA conjugate                                         |
| Tested Applications | ELISA, IHC                                                             |
| Hazard Information  | For research use only                                                  |
| Form/Appearance     | Dry powder                                                             |
| Preservatives       | 0.01mol/L, pH 7.4 PBS                                                  |
| Storage             | Short-term store at 4?.Long-term store at -23?. Avoid repeated freeze. |
| Note                | For research use only.                                                 |
| CAS Number          | 83-44-3                                                                |
| Source              | Ovalbumin (OVA)                                                        |
| Expiration Date     | 12 months from date of receipt.                                        |
| Application Notes   | Other Small Molecule Antigen                                           |
