

## Product Datasheet

### Necrostatin-1 orb609981

|                    |                                                                                |
|--------------------|--------------------------------------------------------------------------------|
| Description        | Necrostatin-1                                                                  |
| Hazard Information | UN Number: Not dangerous goods                                                 |
| Storage            | Storage Temp: -20°C                                                            |
| Note               | For research use only.                                                         |
| Purity             | ≥99%                                                                           |
| Formula            | C <sub>13</sub> H <sub>13</sub> N <sub>3</sub> OS                              |
| MW                 | 259.33                                                                         |
| CAS Number         | 4311-88-0                                                                      |
| SMILES             | <chem>CN1C(=O)C(NC1=S)Cc2c[nH]c3c2cccc3</chem>                                 |
| Solubility (25°C)  | Soluble in DMSO (10-25 mg/ml), 100% ethanol (6 mg/ml), and methanol (5 mg/ml). |
| Expiration Date    | 12 months from date of receipt.                                                |
