

## Product Datasheet

### Phomopsin A orb610411

|                    |                                                                                                                                      |
|--------------------|--------------------------------------------------------------------------------------------------------------------------------------|
| Description        | Phomopsin A                                                                                                                          |
| Hazard Information | UN Number: Not dangerous goods                                                                                                       |
| Storage            | Storage Temp: -20°C                                                                                                                  |
| Note               | For research use only.                                                                                                               |
| Purity             | ≥98%                                                                                                                                 |
| MW                 | 789.24                                                                                                                               |
| CAS Number         | 64925-80-0                                                                                                                           |
| SMILES             | <chem>C(=O)(N1CC=C[C@H]1C(NC(=C(/C)CC)C(NC(C(=O)O)=C\C(=O)O)=O)=O)[C@@H]1[C@@](Oc2c(c(cc(c2)[C@H]1C(=O)O)C(=O)O)C(=O)O)C(=O)O</chem> |
| Chemical Name      | Phomopsin A                                                                                                                          |
| Expiration Date    | 12 months from date of receipt.                                                                                                      |
