

## Product Datasheet

### Ophiobolin A orb610422

|                    |                                                                                                                             |
|--------------------|-----------------------------------------------------------------------------------------------------------------------------|
| Description        | Ophiobolin A                                                                                                                |
| Hazard Information | UN Number: UN number: 2811 Class: 6.1 Packing group: III Proper shipping name: Toxic solids, organic, n.o.s. (Ophiobolin A) |
| Storage            | Storage Temp: -20°C                                                                                                         |
| Note               | For research use only.                                                                                                      |
| Purity             | ≥98%                                                                                                                        |
| MW                 | 400.56                                                                                                                      |
| CAS Number         | 4611-05-6                                                                                                                   |
| SMILES             | <chem>C[C@H]1C[C@@H](O[C@@]12CC[C@]3(C)C[C@H]4[C@H](C(=O)C[C@@]4(C)O)\C(=C/C[C@@H]23)\C=O</chem>                            |
| Chemical Name      | (7E,18R)-3-Hydroxy-5-oxo-14,18-epoxyophiobola-7,19 -dien-25-al                                                              |
| Expiration Date    | 12 months from date of receipt.                                                                                             |
