

## Product Datasheet

### AMI-1 Sodium orb610513

|                    |                                                                                                            |
|--------------------|------------------------------------------------------------------------------------------------------------|
| Description        | AMI-1 Sodium                                                                                               |
| Hazard Information | UN Number: Not dangerous goods                                                                             |
| Storage            | Storage Temp: 4°C                                                                                          |
| Note               | For research use only.                                                                                     |
| Purity             | ≥98%                                                                                                       |
| MW                 | 548.45                                                                                                     |
| CAS Number         | 20324-87-2                                                                                                 |
| SMILES             | <chem>C1=CC2=C(C=C(C=C2C=C1NC(=O)NC3=CC4=CC(=CC(=C4C=C3)O)S(=O)(=O)[O-])S(=O)(=O)[O-])O.[Na+].[Na+]</chem> |
| Chemical Name      | Disodium 7,7'-(carbonyldiimino)bis(4-hydroxynaphthalene-2-s ulphonate)                                     |
| Expiration Date    | 12 months from date of receipt.                                                                            |
